**EXTENDED HEALTH CARE – OTHER SERVICES AND SUPPLIES**

**BENEFIT\*** – Private Duty Nursing following hospitalization and when medically required for ongoing recovery or when required for in-home palliative end-of-life support. Excludes cosmetic surgery or procedures.

**LIMITATIONS** – Maximum of \$2,500 each Benefit Year combined with Medical Equipment and Assistive Devices. Requires pre-approval by AFBS. The provider may be a licensed practical nurse (RPN), registered nurse (RN) or a registered nursing assistant (RNA). Reimbursement from AFBS is subsequent to any provincial plan coverage that may be available. Services must be put in place immediately following hospital discharge and may be extended over a period not exceeding 45 days. Excludes cosmetic surgery or procedures. This is not a long-term care benefit. Palliative support is payable during one occasion only. Annual maximums will apply, however, the hospitalization and 45-day maximum requirements may be waived by AFBS.

**BENEFIT** – Hospitalization

**LIMITATIONS** – Reimbursed at 70% for first five days and 100% thereafter. Semi-private room only. \$150/day maximum. Standard ward room costs are covered by your provincial health plan. Additional room costs are reimbursed for acute care only when provided by an accredited hospital. The room costs for hospitalization in an accredited hospital that provides physical rehabilitation services will be covered when this follows immediately after a minimum of three days of acute care. Room costs incurred in any of a convalescent, long term care, nursing home or a facility which primarily provides treatment for addiction(s) are not covered. This benefit is not available outside of your province of residence.
